

IN YOUR TOWN: DOVER & EYOTA

IN THE PAST YEAR, UNITED WAY OF OLMSTED COUNTY HAS:

IMPROVED FOOD SECURITY FOR 91 PEOPLE

United Way Food Security grants ensure that Olmsted County residents have access to healthy, culturally appropriate, nutritious foods. That way, families' basic needs are met, and children aren't going to school hungry.

POSITIVELY IMPACTED 95 LIVES

We fight for the health, education, and financial stability of every person in our community in a variety of ways: we collaborate with local organizations, businesses, and community leaders; we accelerate impact by strengthening systems and cultivating leaders; and we participate in a collective effort that empowers residents to create lasting transformations in their communities.
