

YOU'RE NOT JUST DONATING, YOU'RE JOINING A

# COMMUNITY OF CHANGEMAKERS.

Nick Rethemeier is a Program Coordinator with the Mayo Clinic Alzheimer’s Disease Research Center. He’s also a Board Member at United Way of Southeast Minnesota. “I have learned a lot about the importance of community on our collective health and wellbeing,” he said. “I wanted to be a part of an organization working to build wellbeing for all in the community.”

“By connecting volunteers, donations, and more local organizations doing important work in Olmsted County, United Way helps fill gaps of need in the county by ensuring no one falls through the cracks.” Nick continued. “With United Way also serving Dodge, Fillmore, and Winona Counties, I think this is a really exciting time to be involved.”
