Southeast Minnesota

UNITED IS THE WAY...

Mission: United Way of Southeast Minnesota responds to the greatest needs in our region by inspiring people to get involved, give back, and take action.

Vision: We envision a resilient region defined by care and collective action where residents are healthy, households are financially secure, and young people succeed in school and life.

...TO COMMUNITY IMPACT

Each year, United Way of Southeast Minnesota reaches over 37,000 local people by funding programs that matter, offering free resources and referrals, and partnering across sectors.

Helping young people realize their full potential. Each year, we:

Distribute 3,500+ free books

Invest \$375,000+ in early education, childcare, and youth empowerment

Improving health and well-being for all. We annually:

Invest \$300,000+ in health access and nutritious, culturally relevant meals

Financial Security

Creating a stronger financial future for everyone. Every year, we:

Invest \$150,000+ into housing and homelessness prevention

Provide free tax filing for 3,000+ households

Community Resiliency

Addressing urgent needs today for a better tomorrow.

Throughout the year, we:

Connect 5,000+ residents to help through our 211 line

Engage 40,000+ volunteers in community service

...TO A RESILIENT FUTURE

For 100 years, United Way of Southeast Minnesota has seen how our communities' greatest challenges are connected – and how we can bring people and resources together to address them.

We've invested over \$150 million into our region – strengthening local resilience and advancing health, youth opportunity, and financial security. We meet basic needs today while working with our neighbors in Dodge, Fillmore, Olmsted, and Winona Counties to build a stronger tomorrow.

Together, we're creating a future where everyone in Southeast Minnesota can reach their full potential.
