# OUR IMPACT

United Way brings people and partners together to address community needs no single organization can solve alone. Give today.

## YOUTH OPPORTUNITY

Your donation helps young people realize their full potential by providing monthly books, free school supplies, childcare scholarships, on-site school supports, and much more.

## FINANCIAL SECURITY

Your donation creates a stronger financial future for families by providing homelessness prevention, affordable housing, tax assistance, and financial education and resources.

## HEALTHY COMMUNITY

Your donation improves health and well-being by supporting people with disabilities, medical transportation, health education, children’s health care and more.

## COMMUNITY RESILIENCY

Your donation addresses urgent needs by connecting families to critical resources, matching volunteers with local programs, and providing emergency funding to families.
