

YOU'RE NOT JUST DONATING, YOU'RE BUILDING A HEALTHY COMMUNITY

“United Way’s mission aligns closely with both my professional values and my personal desire to give back to the community that I live and work in. As a nurse leader in the NICU at Mayo Clinic, I see firsthand how social determinants of health – such as access to stable housing, food security, education, and supportive services – directly impact the health and well-being of children and families.”
