

United Way of Olmsted County's

CULTURALLY POWERED COMMUNITIES

**DAMASCUS
WAY**

TOGETHER, WE BUILD BETTER LIVES

"When we think about our community, certain people have advantages over others. At Damascus Way, we're committed to making sure that everyone has equitable opportunities, and we can't do it alone.

We believe every person matters.

EVERY PERSON HAS DEEP VALUE, AND EVERYONE HAS POTENTIAL TO CHANGE AND SUCCEED - IF WE'RE WILLING TO INVEST.

We want to ensure that every person we serve has a home. We want to ensure that every person we serve is on a career pathway and that they have a healthy community connection. So, as we move into the future, envision with me: Every person in our community having a healthy home, healthy environment, and moving towards long-term transformation and success. I think we can do it together.

I want to challenge you. Whatever keeps you up at night, let's partner together, let's partner with United Way, and let's ensure that everyone we serve has access to a life of destination. That'd be great. Wouldn't it?"

Tierre Webster - Executive Director of Damascus Way

"ALL AROUND US, THERE'S BEAUTY, AND HOW MUCH MORE BEAUTIFUL TO BEHOLD WHEN WE'RE UNITED."

Tierre Webster - Executive Director of Damascus Way

Damascus Way serves individuals returning to our community after a period of incarceration. The Damascus Way service model includes housing linked with services.
